

# **The Doody Waggin'**

## **General Information & Terms of Agreement**

No contracts are required. To continue monthly service, please have the next payment (cash or personal check) at the time of your last scheduled weekly cleaning. If you will not be home, please let us know where payment will be left.

Scoopers, rakes, buckets, and shovels are used to clean your property. They are disinfected between yards to prevent potential cross contamination. If there is a need to hose down your deck or patio, please make sure your hose is easily accessible.

After waste from your yard is collected, it is securely bagged and placed in **your** trash receptacle. If your trash receptacle is not accessible, please let us know in advance.

Weekly yard services occur Monday-Saturday between 7am and 7pm. **The Doody Waggin'** is in certain areas on specific days in order to keep our service rates low. If a particular day or time is requested, we will do our best to accommodate your needs. An additional charge may apply.

Yard scooping is available from February 1<sup>st</sup> through November 15<sup>th</sup>, weather permitting. If weather prevents your yard from being cleaned, we will visit on the next business day. If you would like to suspend your weekly service due to vacation or out of town travel, please give us **24 hours notice**. You will not be charged for the skipped cleanings.

By subscribing to our cleaning service, you are granting us access to your property. Please make us aware of any specifications or instructions required to gain access to your yard. Please restrain or confine your pet during our visit if you feel they will hinder our ability to clean your property.

Please contact us at any time with your questions or concerns. We look forward to making your pet's poop **our** problem!
